## Liquid In A Testbeam

Jason St. John for the T-1034 Collaboration  
All Experimenters' Meeting  
2015.05.04

# A week of firsts

LArIAT joins the tradition of LArTPCs which 'just worked' at first turn-on!

- Previous investments in understanding have really paid off.
- Thanks to ND & PPD for support

First LArTPC in a test beam in the US

- Thanks to AD for MCenter recommissioning

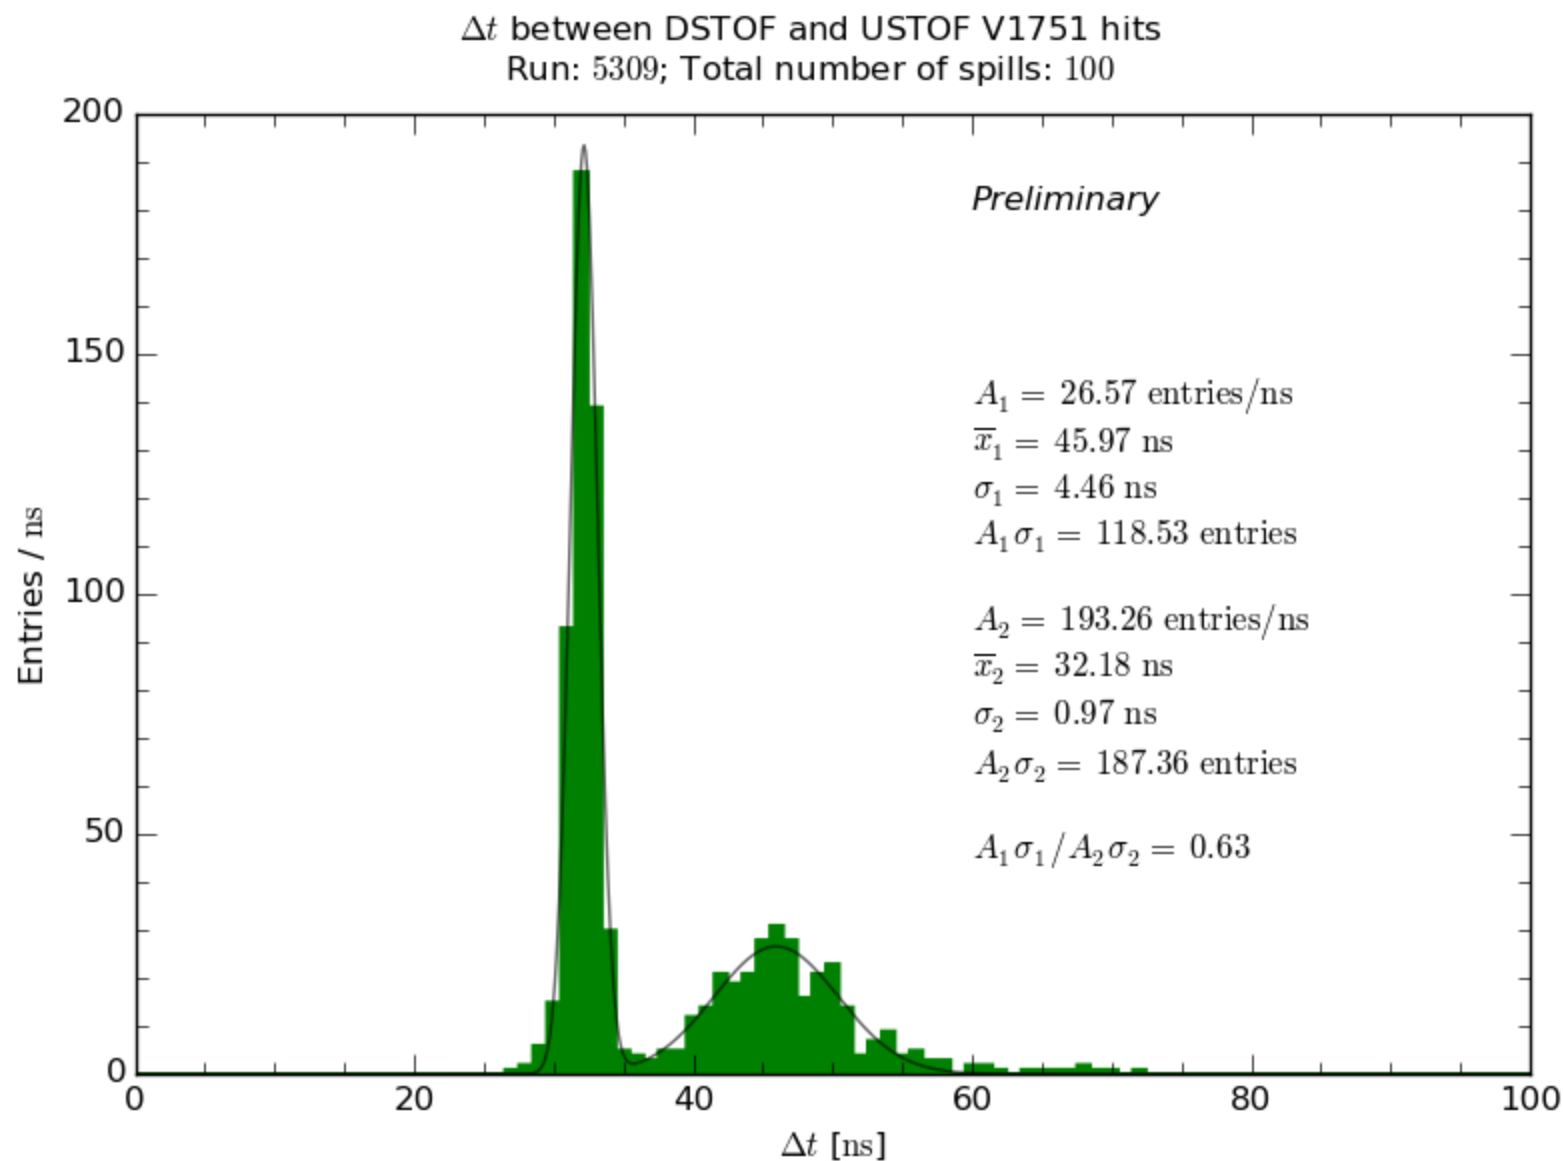

First on-site experiment using artdaq

- Thanks to SCD for support
